February 2026

It is already February! Where did January go? This month, our class will be focusing on love. The greatest commandments God has given us are to love Him and to love others. He showed His great love to us by sending His Son to earth for us. This month, let's especially show love to those around us!

Valentine's Day is just around the corner. We will celebrate it on Thursday, Feb. 13. The children are able to bring valentines for their classmates. I ask that if your child plans to hand out valentines that he/she gives a valentine to every classmate to avoid any child from feeling left out (we have 18 children in our class). When filling out the valentines, please have your child only sign his/her name (do not address each valentine to a specific classmate). This request may sound a little odd but it makes it much easier for your child to hand out his/her own valentines.
