June 2026

This is our final Kindernews for the year! What a blessing it has been to be entrusted with your kids for the last 10 months. The growth I was able to witness is just incredible. I will truly miss these kiddos and we will do our best to finish the year well and enjoy the last few weeks together! My love and prayers will go with them into the Summer months!

## A look at our final month:

### Bible:

This month, we will finish learning about the early life of Jesus.

### Math:

Counting to 100 by 1s and 10s. We will also review recognizing numbers 0-10.

Math Stations:

1. Ways to show number 10
2. Making math sentences to 10
3. Creating patterns using 2 or 3 elements

### Centres:

1. Writing: Journals 2. Reading: *My Hat* reader 3. Word Work: CVC word practice  
Instead of adding new high frequency words, we will spend time reviewing our high frequency words and all of the letters & sounds of the alphabet.

### Printing:

We will continue to practice printing our first and last names, numbers to 10 and the upper and lower case letters of the alphabet.

### Unit Studies: The World Around Me

We will take a closer look at our wonderful country - Canada!

## June Memory Work

"It does not dishonour other people. It does not look out for its own interests."  
1 Corinthians 13:5

-I accidentally had them learn 13:5b last month! Sorry about the confusion :)
